Eurocamp 2023 “Green revolution”

Registration Deadline: June 30, 2023

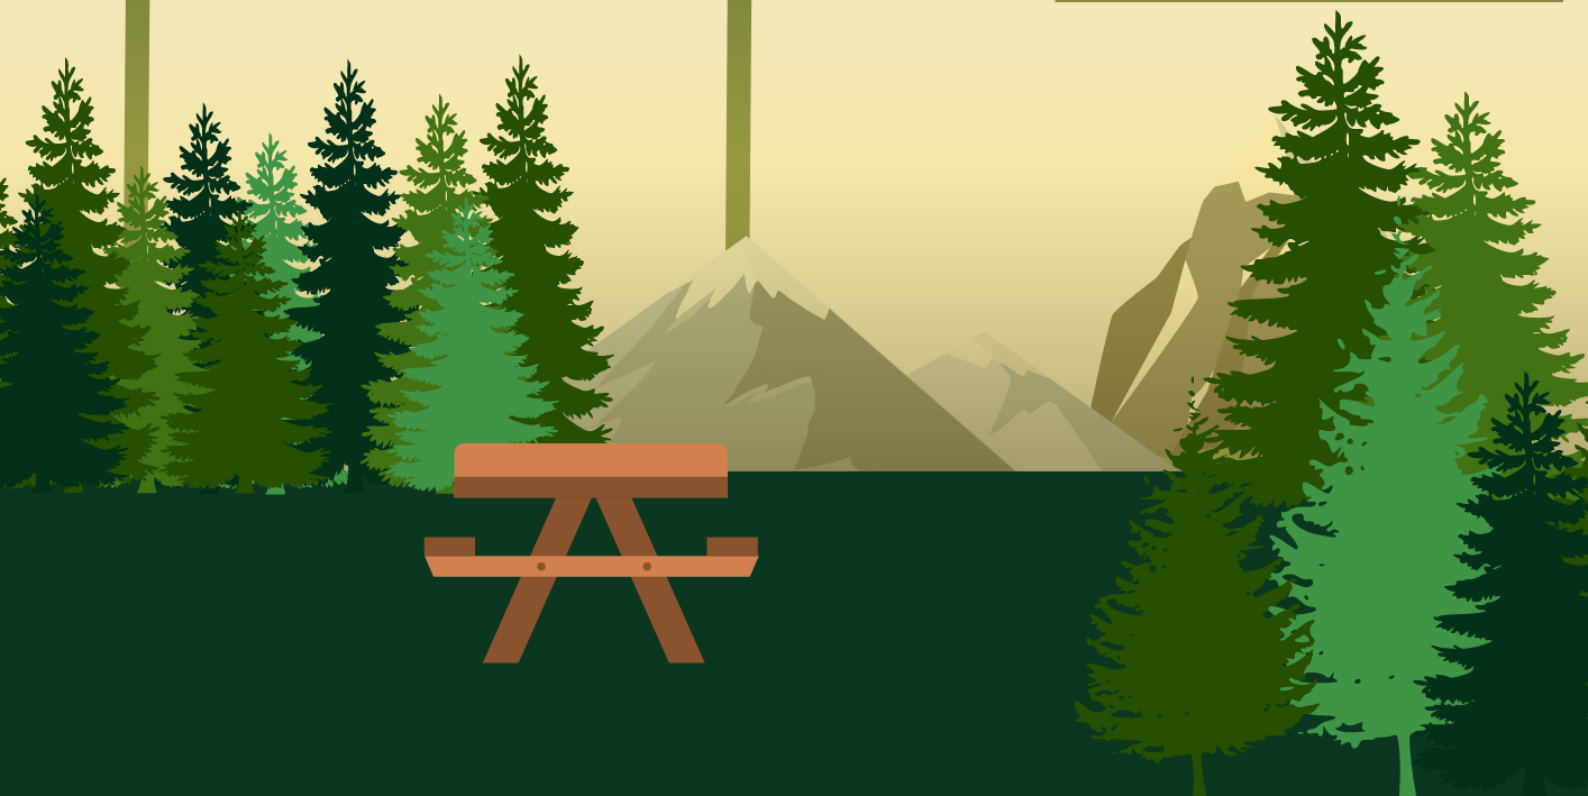

☑☑ The Eurocamp 2023 is waiting for you in Romania! AGLT is Calling Youth Leaders to Embrace Sustainability! ☑☑

Located in the heart of Transylvania, Brasov County is a captivating tourism destination in Romania. This picturesque region is home to a wealth of mediaeval fortresses, gothic churches, and enchanting castles that transport visitors back in time.

Just a short distance away, Râşnov boasts a mediaeval fortress that dates back to the 13th century. For those seeking a connection with nature and the simple pleasures of being surrounded by its beauty, Râşnov is the perfect destination.

Nestled amidst the majestic peaks of the Carpathian Mountains, the city of Braşov itself is a visual delight. Its mediaeval architecture, charming narrow streets, and vibrant cultural scene make it a must-visit location. The iconic Mount Tâmpa and the Hollywood-like sign have become iconic symbols of Brasov.

Transylvania as a whole is a region of incredible allure, with its fascinating history, stunning natural surroundings, and vibrant culture. A visit to this captivating part of Romania is highly recommended for those seeking a journey into the past and a chance to immerse themselves in a land of beauty and charm.

The graphic features a winding path of yellow stepping stones leading from the bottom center towards the top left. On the left side of the path, there are stylized green trees. The background is a light blue sky with several small white birds flying. The title 'Project details' is written in a large, green, bubbly font at the top left. The path leads through a series of orange rectangular boxes, each containing text, which are connected by dark green lines. The overall theme is nature and adventure.

# Project details

Hey, all you incredible teenagers out there, get ready for the most epic summer camp experience of a lifetime! EuroCamp is back, and this year, it's all about making a positive impact on the world while having an absolute blast!

We've heard your call for a greener future, and FIMCAP Europe is stepping up to the challenge. Embracing the power of the Green Deal, we're taking action to reduce resource consumption and minimise our environmental impact. This is your chance to be a part of something big and make a difference!

But wait, there's more! At EuroCamp, we believe in the power of collaboration and the magic of non-formal and informal activities. It's not just about sitting in a classroom; it's about getting hands-on, working together, and having a ton of fun along the way. Expect thrilling team challenges, exciting group projects, and unforgettable experiences in nature that will ignite your passion for sustainable development.

Prepare yourself for a camp like no other as we trade tents for a lovely, cosy house. Get ready for the perfect blend of comfort and adventure in a unique setting that will leave you in awe!

And here's the best part: you'll walk away from EuroCamp armed with a playbook filled to the brim with resources. These gems will empower you to spread the message of sustainable development far and wide, right in your own communities. You'll have the tools to educate, inspire, and bring about positive change that will shape the future.

So, fellow changemakers, get ready to dive into EuroCamp headfirst. It's time to learn, collaborate, and make a lasting impact on the world. Let's create a future that's not only incredible but sustainable too. The adventure awaits, and it's going to be the summer of a lifetime!

# Cost

## **Travel and Accommodation**

Rest assured that travel, accommodation and food arrangements for EuroCamp are fully refundable for organisations established in the EU. In order to ensure cost-effectiveness, we will strive to select the most reasonable and economical routes. It is advised to book your travel well in advance to secure the best rates.

## **Participation Fee**

A participation fee of 50€ is required from every participant. This fee covers various activities, workshops, and educational sessions.. Once you've registered, we'll send you all the juicy details and further instructions. So, don't hesitate, lock in your spot, and get ready for the time of your life at EuroCamp.

For participants coming from The Netherlands, Switzerland and Georgia we offer a full refund only for your travel expenses. Each country can send a maximum of 5 participants but please note that accommodation and food will only be provided for 2 participants. For each remaining spot will have to pay an additional fee of 150€, so a total of 200€. However, we understand the financial impact this may have, and as a consideration, the fee can be divided among the participants from the same country.

# Participants profile

Calling all young leaders aged 16-18! Do you have a passion for nature and sustainability and want to learn more? Are you interested in sharing knowledge to children and youth by creating games and activities? If so, we want you to apply for our exciting new program! We are looking for teams of 5 people each to participate in our program. Each team will consist of 4 youths (16-18 years) and 1 leader (18-20 years).

Leaders will have to assure that participants from each organisation will complete the registration form. Collect travel details from the participants in your country and send them via email to **[paulina.mandache@aglt.org](mailto:paulina.mandache@aglt.org)** (arrival and departure). One week before the camp you will participate in an online meeting with organisers.

## About AGLT

AGLT is striving to create a society where play is recognized as a fundamental right of every child. We firmly believe that through play, children can unlock their full potential, fostering creativity, critical thinking, and social skills. By advocating for the right to play, AGLT aims to instil joy, imagination, and freedom in the lives of children, promoting their holistic development. Recognizing the disparities that exist between urban and rural regions, AGLT diligently works to dismantle barriers and provide equal educational opportunities. In pursuit of their noble vision, AGLT undertakes various initiatives, such as implementing innovative teaching methods, organizing educational workshops, and facilitating extracurricular activities that ignite curiosity and passion among children. They also strive to equip educators with the necessary tools and training, enabling them to deliver high-quality education that nurtures the potential of every child.
